Princess Dracula (Princess Dracula #1) by John Patrick Kennedy gave vampires a new dimension and I liked it. It was very dark but at the same time, surprisingly human. I liked that it wasn't the same old vamp book, a new twist and turn on the subject that was refreshing.

Beast Of Dracula Princess Dracula Book 4
Dracula Prince Of Darkness is in many ways as good as the first of the Hammer Draculas. It isn't actually the first sequel they made- that being The Brides Of Dracula- but that did not have Dracula in it, it actually being another adventure for Peter Cushing's Van Helsing, the vampire hunter.

To summon an Angel of Hell... Ruxandra Dracula, a 250-year-old vampire, wants nothing to do with the fallen angel that created her. But when fellow vampire Kade tells her a group of magicians in Moscow is going to summon that angel, Ruxandra knows she must try to stop them. In Moscow, Ruxandra finds herself caught in a web of political and supernatural intrigue. Empress Anna of Russia wants the vampires to be her spies. Her secret police have magic that is nearly impossible to defeat. A cadre of Russian nobles wants them to kill the empress. And the Alchemist, the beautiful, whip-smart leader of the magicians, wants Ruxandra as more than just an experimental subject. A sensual, terrifying, incredibly accomplished first novel, this fascinating prequel to the classic and most popular horror novel of all time, Dracula, focuses on Dracula's great-nephew, who inherits the job of managing his great-uncle's estate...and his appetite. Written in diary form as Dracula is, this compulsively readable book has revelations that will shock and delight readers of the original. More erotic than Anne Rice, Kalogridis is a major new voice in vampire fiction. The first chilling tale in an exciting new trilogy is a rich and terrifying historical novel set fifty years before the opening of Bram Stoker's Dracula. At the castle of Prince Vlad Tsepesh, also known as Dracula, Vald's great-nephew Arkady is honored to care for his beloved though strange great-uncle...until he beings to realize what is expected of him in his new role. It seems that either he provides his great-uncle with unsuspecting victims to satisfy his needs, or Vlad will kill those Arkady loves. He is trapped into becoming party to murder and sadistic torture. And it is in his blood. When Arkady learns that his newborn son is being groomed one day to follow in his footsteps, he knows that he must fight Dracula, even if it means death.

Acclaimed author Syrie James approaches Bram Stoker's classic Dracula with a breathtaking new perspective—as, for the first time, Mina Harker records the shocking story of her scandalous seduction and sexual rebirth. Who is this magnetic, fascinating man? And how could one woman fall so completely under his spell? Mina Harker is torn between two men. Struggling to hang on to the deep, pure love she's found within her marriage to her husband, Jonathan, she is inexorably drawn into a secret, passionate affair with a charismatic but dangerous lover. This haunted and haunting creature has awakened feelings and desires within her that she has never before known, which remake her as a woman. Although everyone she knows fears him and is pledged to destroy him, Mina sees a side to him that the others cannot: a tender, romantic side; a man who's taken full advantage of his gift of immortality to expand his mind and talents; a man who is deeply in love, and who may not be evil after all. Yet to surrender is surely madness, for to be with him could end her life. It may cost Mina all she holds dear, but to make her choice she must learn everything she can about the remarkable origins and sensuous powers of this man, this exquisite monster, this . . . Dracula!
