eBook // Bereavement Counseling: Pastoral Care for ...

BEREAVEMENT AND PASTORAL COUNSELING The loss of a loved one through death is one of the most difficult situations that people must cope with. People need the support of others during their time of bereavement. Because of this, pastoral counseling plays a vital role in helping people overcome feelings of grief.

Bereavement And Pastoral Counseling : The Loss Of A Loved ...

While specialized grief counseling with trained therapists remains vitally important, the need for short-term everyday griefwork is also huge. Narrative methods for griefwork - grieving through the help of stories - is a form of pastoral care that anyone can lead and engage.

When grief moves in: Pastoral care for grief and COVID-19 ...

Few theological college curriculae include much about the need for pastoral support for bereaved families beyond the funeral and its immediate aftermath. The hope embodied in the Christian message throughout the Bible corresponds well with most classic bereavement support theories, but goes beyond them and adds significantly to the comfort and restoration that bereaved people need.

Bereavement and the church - Care for the Family

In a bereavement group, participants learn from each other about normal reactions to grief. Because of their shared experiences, group members often come to care about and to support each other emotionally, and they often share practical ideas for working through their grief as well.
