## Online Library By David Small *Stitches* A Memoir First 1st Edition

2009 A Washington Post Book World 's Ten Best Book of the Year A California Literary Review Best Book of 2009 An L.A. Times Top 25 Non-Fiction Book of 2009 An NPR Best Book of the Year, Best Memoir With this stunning graphic memoir, David Small takes readers on an unforgettable journey into the dark heart of his tumultuous childhood in 1950s Detroit, in a coming-of-age tale like no other. At the age of fourteen, David awoke from a supposedly harmless operation to discover his throat had been slashed and one of his vocal chords removed, leaving him a virtual mute. No one had told him that he had cancer and was expected to die. The resulting silence was in keeping with the atmosphere of secrecy and repressed frustration that pervaded the Small household and revealed itself in the slamming of cupboard doors, the thumping of a punching bag, the beating of a drum. Believing that they were doing their best, David 's parents did just the reverse. David 's mother held the family emotionally hostage with her furious withdrawals, even as she kept her emotions hidden — including from herself. His father, rarely present, was a radiologist, and although David grew up looking at X-rays and drawing on X-ray paper, it would be years before he discovered the shocking consequences of his father 's faith in science. A work of great bravery and humanity, *Stitches* is a gripping and ultimately redemptive story of a man 's struggle to understand the past and reclaim his voice.

Elsie is a city girl. She loves the noise of the cobbled streets of Boston. But when her mother dies and her father moves them to the faraway prairies of Nebraska, Elsie hears only the silence, and she feels alone in the wide sea of grass. Her only comfort is her canary, Timmy Tune. But when Timmy flies out the window, Elsie is forced to run after him, into the tall

grass of the prairie, where she's finally able to hear the voice of the prairie-beautiful and noisy- and she begins to feel at home. Jane Yolen and David Small create a remarkable, poetic, vividly rendered book about finding one's place in the world.

A good-hearted fellow who lives by the sea in a paper house and makes paper boats for the village children comes up against the devil in a life or death situation which can be salvaged only by his skill with paper folding.

35 years after Imogene woke up with antlers, she's back! The follow up to the classic, Imogene's Antlers by Caldecott Award winning David Small. One day, Imogene woke up to discover that she had sprouted antlers overnight. Her family was confused, her mother was distraught and there was no explanation. Then she woke up the next day and they were gone, but were replaced by something just as curious. Now Imogene has found she has a new curious feature every day. Some are helpful, some are sweet, some are downright strange. But all of them upset her poor mother who just can't handle how improper it all is. Yet even as Imogene discovers something new every day, she always remains Imogene at heart. David Small returns to one of his most beloved characters in this charming tale.

A collection of four novels from the New York Times—bestselling, Edgar Award—winning mystery series starring a rabbi in a tiny New England town. Spend a long weekend with the scholar and spiritual leader who watches over the Jewish community in 1960s Barnard 's Crossing, Massachusetts—and in his spare time, solves crimes. Friday the Rabbi Slept Late: A

## Online Library By David Small Sches A Memoir First 1st Edition

young nanny is found dead in the temple parking lot—and her purse is discovered in Rabbi David Small ’ s car. Now he has to collaborate with the local Irish-Catholic police chief to exonerate himself. Saturday the Rabbi Went Hungry: Yom Kippur, the holiest day on the Jewish calendar, is defiled when a body is found—and the rabbi must uncover who has something to atone for. Sunday the Rabbi Stayed Home: When Passover is overshadowed by congregational politics and a murder at a local university, the rabbi must study the clues. Monday the Rabbi Took Off: Rabbi Small journeys to Israel for a bit of peace, but instead has to team up with an Orthodox cop to unravel a bombing case. Don ’ t miss these four mystery novels featuring an amateur detective who uses Talmudic logic—an introduction to the multimillion-selling series that provides both “ an eye-opening snapshot of a particular time in Jewish-American history ” and delightfully entertaining whodunits (Los Angeles Review of Books).

Winner of the American Library Association's Alex Award A Boston Globe Best Book of the Year David Small ’ s long-awaited graphic novel is a savage portrayal of male adolescence gone awry like no other work of recent fiction or film. Wildly kaleidoscopic and furiously cinematic, Home After Dark is a literary tour-de-force that renders the brutality of adolescence in the so-called nostalgic 1950s, evoking such classics as The Lord of the Flies. Thirteen-year-old Russell Pruitt, abandoned by his mother, follows his father to sun-splashed California in search of a dream. Suddenly forced to fend for himself, Russell struggles to survive in Marshfield, a dilapidated town haunted by a sadistic animal killer and a ring of malicious boys who bully Russell for being “ queer. ” Rescued from his booze-swilling father

by Wen and Jian Mah, a Chinese immigrant couple who long for a child, Russell betrays their generosity by running away with their restaurant 's proceeds. Told almost entirely through thousands of spliced images, once again “ employ[ing] angled shots and silent montages worthy of Alfred Hitchcock ” (Washington Post, on Stitches), Home After Dark becomes a new form of literature in this shocking graphic interpretation of cinema vérité.

A little girl moves to the United States from Mexico with her family and writes letters to her aunt in Mexico about her new life.

A Short Walk Home is a heartfelt and inspirational memoir of a father raising and ultimately losing a child to the neurological disorder adrenoleukodystrophy (ALD). Exploring the full extent to which a disease like ALD can shape and affect a life, as both David Cry and his family try to come to grips with the inevitable conclusion to their struggles, A Short Walk Home captures the helplessness and anger that every parent feels at being unable to save their children. Presented in prose both simple and true, A Short Walk Home shows us how to find peace and acceptance—at a time when we need it most. Drawn from the author 's personal experience, as well as years of working with individuals and families suffering from ALD, Cry's story is at once both very personal, and very accessible—a story of appreciating what you have, making the most of the time you have left, and finding solace in the face of grief. Contrasting sadness with hope, vulnerability with strength, and frustration with acceptance, A Short Walk Home demonstrates that grief, no matter how great, can give way to a greater understanding.

In a country that has always prided itself on its toughness, individuality, and youthful spirit, we share one common thread, woven through time and unchanged in popularity -- durable cotton denim jeans. Journey through the history of jeans, from their invention during the Gold Rush through the turbulent eras that preceded the 21st Century. Watch as denim slacks help Americans define themselves, whether that definition is strong, unpretentious, pretentious, informal, comfortable, classless, haute couture, hard-working, or reliable. Also, revisit the craze for vintage blue jeans, when faded and worn fueled a frenzy of global buying. Artful photography of denim as seen on bodies, in retail stores, and in the flea markets of America, add to the thoughtful essays, making this a iconic book certain to be treasured in fashion circles for decades.

This whimsical story of a little girl who wakes one morning to discover she has grown antlers has delighted children since it was first published 15 years ago. The perfect Christmas present for any kid looking forward to a visit from Santa's reindeer--or any reader looking for some year-long fun! The family doctor, the school principal, and even Imogene's know-it-all brother, Norman, fail to resolve her dilemma. Imogene, the cook, and the kitchen maid, however, make the best of things, finding unusual uses for Imogene's new horns. Meanwhile, the problem appears to be solved when Imogene awakes the next morning antler-free. But the family (and the reader) are in for a surprise when Imogene comes down to breakfast. . . .
