****Buy the Paperback and get the eBook version free****The iPhone XR, XS and XS Max were launched at same period each with its amazing features and beauty. While Apple used the LCD display on the iPhone XR, they quickly corrected this with the iPhone XS and XS Max that brought back the beautiful Super Retina HD display screen that current users are familiar with. With the launch of the iPhone XS Max came the introduction of the biggest screen ever seen in the iPhone series. With its 6.5 inches screen display, the iPhone XS Max has stood tall amongst its counterparts. Apple also ensured that the phones come with an improved battery capacity from the iPhone X and XR. What more can a user ask for. Are you at the verge of upgrading your iPhone device or newly switching from android to iPhone and need to know which you should go for, whether the iPhone XS or the iPhone XS Max? This is a book about a girl who lost almost everything. SMART MONEY MAGAZINE called me "The NEW FACE OF BANKRUPTCY." . . . I would have never dreamed that I would end up here. But it happens. And nowadays, it seems to be happening to more and more people. You should know that former income, former status and a strong work ethic do not prevent you or your friends from becoming members of this non-exclusive club called BROKE! But you should know that you can recover when bad things happen. . . The only purpose in telling my story is a hope that what I've experienced may help you in your journey to survive and stand tall through a potentially demoralizing process. With helpful hits, time lines and personal insights, you may just find a few things to KEEP you from ending up where I did! Or maybe make your landing a little softer than mine.
