Crisis | Definition of Crisis at Dictionary.com

Online Library Crises

A crisis (plural: "crises"; adjectival form: "critical") is any event or period that will lead, or may lead, to an unstable and dangerous situation affecting an individual, group, or all of society. Crises are negative changes in the human or environmental affairs, especially when they occur abruptly, with little or no warning. More loosely, a crisis is a testing time or an emergency.

Crisis - Wikipedia

It is full of crises and catastrophes, and ends with the death of one of the actors. For years she had warded off crises by merely ignoring their imminence. It was a mob without a leader until, as is the way in all crises, a new leader arose. These crises have often arisen before, and they always end in the same manner.

Crises Synonyms, Crises Antonyms | Thesaurus.com

noun, plural cri-ses [krah-y-seez]. a stage in a sequence of events at which the trend of all future events, especially for better or for worse, is determined; turning point. a condition of instability or danger, as in social, economic, political, or international affairs, leading to a decisive change.

Crisis | Definition of Crisis at Dictionary.com

Crises are abrupt negative changes in security, economic, political, or environmental affairs. Natural crises such as tsunamis or volcanoes are inherently unpredictable. The noun crisis has a Greek root, which is the derivation of the plural crises. There is no alternative English plural form.

[Crisis vs. Crises - What's the difference? | Ask Difference](#)

Crises is the eighth studio album by English musician and songwriter Mike Oldfield, released on 27 May 1983 on Virgin Records. Oldfield started recording the album towards the end of his 1982 tour supporting his previous record, *Five Miles Out*. It marked a continuation of Oldfield's experimentation with more accessible music which began in the late 1970s; side one contains the 20-minute "Crises ...
