Digitizing Collections: Strategic Issues for the Information Manager. New York: Neal Schuman, 2004. ISBN: 9781856044660. I have been pleased with the Handbook for Digital Projects, but felt that it was time to add a newer text. Digitizing Collections is a nice complement to Handbook for Digital Projects. Both cover some of the same topics, but also cover different areas too.

Preservation Guidelines for Digitizing Library Materials ...

Digitization is the process of converting information into a digital (i.e. computer-readable) format, in which the information is organized into bits. The result is the representation of an object, image, sound, document or signal (usually an analog signal) by generating a series of numbers that describe a discrete set of points or samples. The result is called digital representation or, more ...
