Everything you need to know about international human resource management. International human resource management bears both functional and strategic resemblance to human resource management. Functionally, it performs almost the same set of activities as human resource management - recruitment, selection, performance management, compensation, training, industrial relations, career management etc. Strategically international HRM is closely linked to the business strategy of the organization.

sustaining global growth and linking the international HR function more firmly to a company's strategic growth plans.-Back cover.

An innovative and thought-provoking resource designed to support the study of International and Human Resource Management and Employment Relations. Written by an internationally renowned team of experts and underpinned by cutting-edge research, International Human Resource Management tackles a broad range of controversial and often marginalised issues associated with globalisation and its impact on multinational companies and employees. Prepare to be gripped by fascinating and sometimes shocking revelations about the darker realities of a more globalised context and to emerge fully aware of these issues in the workplace and in employment generally. A truly global range of case studies and examples within the book plus carefully selected journal articles online will further enhance your learning experience and outcomes. Visit the companion website at www.sagepub.co.uk/martinez-lucio for PowerPoint slides, additional case studies, online journal articles and web links related to topics covered in the book. An electronic inspection copy is available for instructors.

Multinational corporations face considerable complexity in setting the
