Learn to blend theory with practice in group work with *GROUPS: PROCESS AND PRACTICE*, the respected book that so many helpers (and helpers in training) rely on every day. Focusing on the what is and the how to of group counseling, the authors use up-to-date examples, guidelines, insights, and an enhanced diversity perspective to show you how group leaders can apply the key concepts of the group process to a variety of groups, including work with children, older adults, and in school settings. Available with InfoTrac Student Collections <http://goengage.com/infotrac>. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Offers examples, guidelines, insights, and ideas that demonstrate how group leaders can apply the basic issues and key concepts of the group process to a variety of groups. This work features a focus on group work with children, the elderly, issues in both women's and men's groups and in school settings.

Drawing on their extensive clinical experience in working with groups, Marianne, Gerald, and new co-author Cindy Corey provide a realistic approach to the blending of theory with practice in group work. This best-selling text has been updated with new examples, guidelines, insights, and an enhanced diversity perspective that demonstrate how group leaders can apply the basic issues and key concepts of the group process to a variety of groups. Offering up-to-date coverage of both the what is and the how to of group counseling, the Eighth Edition is up to date with the latest research, ethical guidelines, and practices to ensure student success both in the classroom and after it. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

More than a recipe book of techniques that group leaders can pull out at the right time, this book encourages readers to use techniques sensitively and creatively in their own groups, and to go one step further to invent their own techniques. The authors draw on their combined experiences as teachers, as

Online Library Groups Process Practice Corey Marianne Schneider

consultants to mental-health professionals, and as private practitioners to provide a realistic approach to group work. Emphasizing that techniques are means, not ends, the book is designed to enhance the group leader's ability to generate a therapeutic and human rapport between leader and members. Honest and inspiring, *I NEVER KNEW I HAD A CHOICE: EXPLORATIONS IN PERSONAL GROWTH*, 11th Edition, is an invitation to personal learning and growth -- and a roadmap to lasting change. Research-based, yet written in a personal, encouraging tone, the book helps students examine the choices they've made, expand their awareness of the choices available to them, and choose where to go next. Emphasizing the role of personal responsibility and choice in creating a meaningful life, the text explores a wide variety of key topics, including personal style of learning, the effects of childhood and adolescence experiences on current behavior and choices, meeting the challenges of adulthood and autonomy, and many other issues related to personal growth and development. Self-inventories, exercises, activities, and first-person accounts of difficult choices real people have made give students invaluable insight into their lives, beliefs, and attitudes in a personally empowering way. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ideal for anyone embarking on or considering a career in the helping professions, *BECOMING A HELPER*, Seventh Edition, provides an overview of the stages of the helping process while teaching students the skills and knowledge they need to become successful helping professionals. Drawing on their years of experience, Corey and Corey focus on the struggles, anxieties, and uncertainties students often encounter on the road to becoming effective helpers. They also emphasize self-reflection on a number of professional issues. Finally, the authors help students decide if a career in the helping professions is right for them by asking them to take a candid look at the demands and strains they'll face in the field. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
