Historiography in the Twentieth Century: From Scientific ...

What is missing most from studies on the twentieth-century's preoccupations with history is an exploration of the inner and deeper connection and interrelation between the various experiences of the century and the various approaches to history. The twentieth century has been described as 'the age of extremes', as the century of catastrophic wars and genocides.

History and Historiography in the 20th Century ...

The discipline's greatest challenge may have come in the last two decades, when postmodern ideas forced a reevaluation of the relationship of historians to their subject and questioned the very possibility of objective history.

This century witnessed two world wars, the Great Depression of the 1930s, the Holocaust in Europe, the Cold War, revolutionary social equality movements, and the exploration of space. Follow the changes in this decade-by-decade timeline of the 20th century. The 1900s Ann Ronan Pictures/Print Collector/Getty Images

Decade-by-Decade Timeline of the 20th Century

The 20th century saw the creation of a huge variety of historiographical approaches; one was Marc Bloch's focus on social history rather than traditional political history. The French Annales school radically changed the focus of historical research in France during the 20th century by stressing long-term social history, rather than political or diplomatic themes.

20th century - Wikipedia

About as compelling as a phone book, albeit more informative. Walks the reader through the history of historiography, starting with its professionalization with Leopold von Ranke in early 19th century Germany, to the formation of the social sciences during the late 19th century, and on through postmodernism/linguistic turn.

Historiography in the Twentieth Century: From Scientific ...

Historiography in the Twentieth Century falls squarely within this tradition. It is clearly based on the assumption that the historians it discusses were people who really existed and wrote what they wrote; it self-evidently rests on the belief that what they wrote mirrored their intentions; and it undoubtedly reflects the author's determination to tell their story as a coherent sequence of events.

Review of Historiography in the twentieth century | Georg ...

The Ben Pimlott Lecture is hosted by Twentieth Century British History , Oxford Journals, and King's Contemporary British History. This lecture series was established in 2006 in honour of the late Ben Pimlott and in association with the Institute of Contemporary British History , with which Ben had close ties.
