Step 1, Draw a light horizontal guideline across. Draw an almond shape with one corner tapering downwards.Step 2, Draw another almond shape of the same size. The space between these eye shapes is equal to the length of one almond shape.Step 3, Erase the guidelines and draw a circle inside each of the eye shapes. The diameter of the circles is equal to the height of the almond shapes. Leave some space between the bottom of the circle and the lower edge of the eye shape.
