The following piece is a short, personal, reflection on The Gift of Therapy: Reflections on being a therapist by Irvin D. Yalom, as written by ICPFD Year 2 Learner, Brid Kennedy, Chartered Psychol Ps.S.I. The Human Encounter in the therapeutic process (p. 220)

A short personal reflection on Yalom's Gift of Therapy | ICPFD  
The Irvin D. Yalom Institute of Psychotherapy, which he co-directs with Professor Ruthellen Josselson, works to advance Yalom's approach to psychotherapy. This unique combination of integrating more philosophy into the psychotherapy can be considered as psychosophy. He was married to author and historian Marilyn Yalom, who died in November, 2019. Their four children are: Eve, a gynecologist, Reid, a photographer, Victor, a psychologist and entrepreneur and Ben, a theater director.

A psychiatrist with a deep interest in philosophical issues, Yalom jointly tells the story of the seventeenth-century thinker Baruch Spinoza, his philosophy and subsequent excommunication from the Jewish community, and his apparent influence on the Nazi ideologue Alfred Rosenberg, whose einsatzgruppe was dispatched during the Second World War to investigate a mysterious "Spinoza Problem." Seamlessly alternating between Golden Age Amsterdam and Nazi Germany, Yalom investigates the inner ...

Spinoza Problem - Irvin D. Yalom, MD  
Irvin D. Yalom has made a career of investigating the lives of others. In this profound memoir, he turns his writing and his therapeutic eye on himself. As Becoming Myself unfolds, we see the birth of the insightful thinker whose books have been a beacon to so many. This is not simply a man's life story, Yalom's reflections on his life and development are an invitation for us to reflect on the origins of our own selves and the meanings of our lives.

This paper defends a position held by W. D. Ross that it is no part of one's duty to have a certain motive since one cannot by choice have it here and now.

Community Based System Dynamics introduces researchers and practitioners to the design and application of participatory systems modeling with diverse communities. The book bridges community-based participatory research methods and rigorous computational modeling approaches to understanding communities as complex systems. It emphasizes the importance of community involvement both to understand the underlying system and to aid in implementation. Comprehensive in its scope, the volume includes topics that span the entire process of participatory systems modeling, from the initial engagement and conceptualization of community issues to model building, analysis, and project evaluation. Community Based System Dynamics is a highly valuable resource for anyone interested in helping to advance social justice using system dynamics, community involvement, and group model building, and helping to make communities a better place.

The Addiction Counselor's Desk Reference is a compilation of information about the full spectrum of addictive disorders, their consequences, and treatment. This text includes definitions and illustrations of addiction-related terminology, addictive disorders and behaviors, descriptions of treatment models and techniques, as well as lists of websites, government resources, and treatment centers.

As the public grows disillusioned with therapeutic quick fixes, people are looking for a deeper psychotherapeutic experience to make life more meaningful and satisfying. What really happens in therapy? What promises and perils does it hold for them? No one writes about therapy - or indeed the dilemmas of the human condition - with more acuity, style, and heart than Irvin Yalom. Here he combines the storytelling skills so widely praised in Love's Executioner with the wisdom of the compassionate and fully engaged psychotherapist. In these six compelling tales of therapy, Yalom introduces us to an unforgettable cast of characters: Paula, who faces death and stares it down; Magnolia, into whose ample lap Yalom longs to pour his own sorrows; Irene, who learns to seek out anger and plunge into it. And there's Momma, old-fashioned, ill-tempered, who drifts into Yalom's dreams and tramples through his thoughts. At once wildly entertaining and deeply thoughtful, Momma and the Meaning of Life is a work of rare insight and imagination.

This collection of ten absorbing tales by master psychotherapist Irvin D. Yalom uncovers the mysteries, frustrations, pathos, and humor at the heart of the therapeutic encounter. First published in 1989, this New York Times bestselling collection of ten tales has become a classic. Yalom not only gives us a rare and enthralling glimpse into his patients' personal desires and motivations, but also tells his own story as he struggles to reconcile his all-too-human response with his sensibility as a psychiatrist. Now with a new afterword, Love's Executioner promises to inspire generations of readers to come.

From the bestselling author of Love's Executioner and When Nietzsche Wept comes a provocative exploration of the unusual relationships three therapists form with their patients. Seymour is a therapist of the old school who blurs the boundary of sexual propriety with one of his clients. Marshal, who is haunted by his own obsessive-compulsive behaviors, is troubled by the role money plays in his dealings with his patients. Finally, there is Ernest Lash. Driven by his sincere desire to help and his faith in psychoanalysis, he invents a radically new approach to therapy -- a totally open and honest relationship with a patient that threatens to have devastating results. Exposing the many lies that are told on and off the psychoanalyst's couch, Lying on the Couch gives readers a tantalizing, almost illicit, glimpse at what their therapists might really be thinking during their sessions. Fascinating, engrossing and relentlessly intelligent, it ultimately moves readers with a denouement of surprising humanity and redemptive faith.

Winner of the 2012 Man Booker Prize Winner of the 2012 Costa Book of the Year Award The sequel to Hilary Mantel's 2009 Man Booker Prize winner and New York Times bestseller, Wolf Hall delves into the heart of Tudor history with the downfall of Anne Boleyn Though he battled for seven years to marry her, Henry is disenchanted with Anne Boleyn. She has failed to give him a son and her sharp intelligence and audacious will alienate his old friends and the noble families of England. When the discarded Katherine dies in exile from the court, Anne stands starkly exposed, the focus of gossip and malice. At a word from Henry, Thomas Cromwell is ready to bring her down. Over three terrifying weeks, Anne is ensnared in a web of conspiracy, while the demure Jane Seymour stands waiting her turn for the poisoned wedding ring. But Anne and her powerful family will not yield without a ferocious struggle. Hilary Mantel's Bring Up the Bodies follows the dramatic trial of the queen and her suitors for adultery and treason. To defeat the Boleyns, Cromwell must ally with his natural enemies, the papist aristocracy. What price will he pay for Anne's head? Bring Up the Bodies is one of The New York Times' 10 Best Books of 2012, one of Publishers Weekly's Top 10 Best Books of 2012 and one of The Washington Post's 10 Best Books of 2012

Fred Ross Sr.'s AXIOMS FOR ORGANIZERS is a gem-a concise and inspired treasure trove of tips for people committed to building organizations and movements for social justice. It provides a stirring portrait of Ross, Sr., one of the most influential grassroots organizers of the 20th century, and spells out his philosophy and guiding principles for organizers. The bilingual (English-Spanish) AXIOMS FOR ORGANIZERS captures a lifetime of Ross Sr.'s work with disenfranchised and oppressed people and their struggle to win respect and dignity. As former US Labor Secretary Robert Reich writes in his glowing introduction to AXIOMS, "From the migrant farm worker camps of California's Central Valley to the streets of Los Angeles, from union halls to the halls of state legislatures, Ross taught people of all backgrounds the art and science of standing up for their rights in the face of racism, bigotry and greed. He stirred the imagination and helped communities break down barriers and achieve the seemingly impossible. In the 1950s, Ross worked to build chapters of the Community Service Organization (CSO) throughout California, and it was during this time that he identified and mentored a young farm worker in San Jose named Cesar Chavez." Cesar Chavez once said of his mentor: "Fred did such a good job of explaining how poor people could build power, I could taste it." As Dolores Huerta recalled, "Fred Ross, Sr. changed my life. He inspired and taught me how to organize. He had so much faith in the power of ordinary people to make history." In AXIOMS FOR ORGANIZERS, Ross Sr. culls the lessons drawn from five decades of organizing experience under thematic headings followed by short nuggets of organizing gold. Chapters range from "Characteristics of a Good Organizer," to "Fundamentals," "Pitfalls," "Hope, Motivation and Action," and "Organizing in the Internet Age," (the last chapter, a contribution by his son, legendary organizer Fred Ross, Jr.) In Fred Ross Sr. style, axioms are succinct and compelling. The duty of the organizer is to provide people with the opportunity to work for what they believe in. If you think you can do it for people, you've stopped understanding what it means to be an organizer. To inspire hope, you must have hope. To win the hearts and minds of people, forget the dry facts and statistics; tell them the stories that won you to the cause. When you are tempted to make a statement, ask a question. The first of its kind ebook, each chapter is laced together with archival photos and artwork portraying the array of social justice fights Ross Sr. helped lead. Black and white stills of Ross at work are combined with Roger Leyonmark's lithograph, "American Nightmare," memorializing the internment of Japanese Americans with whom Ross worked to secure housing and jobs and Rafael Lopez's U.S. postal stamp design commemorating the 1947, precedent setting Mendez v. Westminster court decision, the forerunner to Brown v. the Board of Education. House Minority Leader and former Speaker of the House, Nancy Pelosi declared, "Fred Ross, Sr. left a legacy of good works that has given many the courage of their convictions, the powers of their ideals, and the strength to do heroic deeds on behalf of the common person." United Farm Worker Organizer Jessica Govea Thorbourne summarized Ross Sr.'s impact this way: "Fred taught us how to turn our grief into action and hope. We learned to 'tell our story,' create a plan of action and to track our progress." CA Governor Jerry Brown recently announced his selection of Fred Ross, Sr. into the California Hall of Fame in the Fall of 2014. This collection of Fred Ross Sr.'s axioms offers invaluable insight to his thinking and method. It is a roadmap for students of history and organizers seeking to continue the good fight and a must read for students, teachers and community, labor, immigrant and human rights organizers committed to social justice.

The second volume of the James Hillman Uniform Edition consolidate Hillman's papers and lectures on the subject of politics, ecology, and urban affairs, such as "Psychoanalysis, Self, and Community," "Culture and the Animal Soul," "Natural Beauty without Nature," "City, Sport, and Violence," and "Where Is The Environment?"
