Marketing, 9/e by Kerin, Hartley and Rudelius continues a tradition of leading the market with contemporary, cutting-edge content presented in a conversational student-oriented style, supported by the most comprehensive, innovative, and useful supplement package available. This text and package is designed to meet the needs of a wide spectrum of faculty—from the professor who just wants a good textbook and a few key supplements, to the professor who wants a top-notch fully integrated multimedia program.

MARKETING: THE CORE, 2/e by Kerin, Berkowitz, Hartley, and Rudelius continues the tradition of cutting-edge content and student-friendliness set by Marketing 8/e, but in a shorter, more accessible package. The Core distills Marketing's 22 chapters down to 18, leaving instructors just the content they need to cover the essentials of marketing in a single semester. Instructors using The Core also benefit from a full-sized supplements package. The Core is more than just a "baby Kerin"; it combines great writing style, currency, and supplements into the ideal package.

Marketing: The Core 5e by Kerin, Hartley and Rudelius continues a tradition of leading the market with contemporary, cutting-edge content presented in a conversational student-oriented style, supported by the most comprehensive, innovative, and useful supplement package available. This text and package is designed to meet the needs of a wide spectrum of faculty – from the professor who just wants a good textbook and a few key supplements, to the professor who wants a top-notch fully integrated multimedia program. Marketing: The Core utilizes a unique, innovative, and effective pedagogical approach developed by the authors through the integration of their combined classroom, college, and university experiences. The elements of this approach have been the foundation for each edition of Marketing: The Core and serve as the core of the text and its supplements as they evolve and adapt to changes in student learning styles, the growth of the marketing discipline, and the development of new instructional technologies. The distinctive features of the approach are illustrated below: High Engagement Style - Easy-to-read, interactive, writing style that engages students through active learning techniques. Personalised Marketing - A vivid and accurate description of businesses, marketing professionals, and entrepreneurs – through cases, exercises, and testimonials – that allows students to personalise marketing and identify possible career interests. Marketing Decision Making – The use of extended examples, cases, and videos involving people making marketing decisions. Integrated Technology - The use of powerful technical resources and learning solutions. Traditional and Contemporary Coverage - Comprehensive and integrated coverage of traditional and contemporary concepts. Rigorous Framework - A pedagogy based on the use of Learning Objectives, Learning Reviews, Learning Objectives Reviews, and supportive student supplements.

This core text distills Marketing's 22 chapters down to 18, leaving instructors the content they need to cover the essentials of marketing in a single semester. Up-to-date and classic examples are included that students should be able to relate to typical marketing decisions.

Marketing: The Core is a more brief, 18-chapter version of the Kerin/Hartley Marketing 14e product, the most rigorous and robust program on the market. The Core 8e also continues to demonstrate the authors' commitment to engagement, leadership, and innovation: Engagement in class-tested, active learning activities to help instructors illustrate textbook concepts as well as examples throughout featuring real people, cases and companies throughout. Media-enhanced PPT slides, alternate cases, and a 5,000+ item test bank are included in the comprehensive instructor resource suite. Leadership in leading, current content and conversational writing style, with new emphasis on marketing metrics and data-driven decision-making, with hyperlinked assignments throughout to easily correlate activities. Innovation in outcomes-oriented Connect®, a highly reliable, easy-to-use homework and learning management solution that embeds learning science and award-winning adaptive tools to improve student results.
