The book in its tenth edition has been thoroughly restructured and revised. All the chapters of the present edition have been re-written not only to incorporate the latest developments in management but also to make presentation of subject-matter more lucid and crisp. Chapter 3 of the previous edition (Managers and Environment) has been named as Management Challenges and Opportunities in the present edition so that proper focus is put on these issues. Thus, the present edition is ideally suited to management students as well as management practitioners, particularly those who have not gone through formal management education.

The second edition of this highly-acknowledged book has been thoroughly updated to enable designers, engineers and students obtain complete information on the various mechanical components, materials and machine design elements. It blends the theoretical and practical aspects in a very unique manner and contains several tables, designs, formulae, diagrams, illustrative examples and technical data for arriving at quick and optimal solutions to problems. This new and enlarged edition includes more on standard mechanical components, toothed gearing, design of cams, jigs and fixtures. In addition, it also contains a detailed discussion on design of belt conveyer systems.

This book interweaves the theory of strategic management with the special requirements of Indian business environment. This fourth edition of the popular text in strategic management brings the current and updated content in the discipline in a lucid and reader-friendly manner. The content for this edition is thoroughly revised, rewritten, and updated with 36 cases (comprehensive and mini) of Indian organisations and companies. Salient Features: - New chapters dealing with sustainability in the context of strategic management, and methods of pursuing strategies. - Enhanced framework of strategy implementation in India - Learning objectives based content with new examples, illustrations and cases.

The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises available in the OB Skills Workbook. It also focuses more on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging. The text also introduces two brand new key features " Finding the Leader in You" and "Taking it Online". "Finding the Leader in You", discusses leading in the workplace in a personal and applied way. The goal is to make the material more relevant and applicable to today's readers. The "Taking it Online" feature will take the reader from the book to an online case, activity, self-assessment, or video clip of the leader they are reading about.
