This was the first paper model I made, a few years back, and while challenging, it wasn't frustrating. The working features add to the fun of a Khmer-like temple just waiting for Indiana Jones to show up. The outer band of trees is laid out as a maze.

He says he will use the temple's legendary power to save his terminally ill wife, a dear friend of Loren's who has been in suspended animation for almost a decade. How can Loren and the crew say no? Within the temple, an ancient machine promises life for its users. most dangerous treasure has been lost. Now the code that reveals its hiding place is about to be broken . . . Greece, 1947. Europe is just beginning to heal after World War II, but the fighting in Greece continues as a civil war is waged. Sam Grant, a disgraced ex-Special Operations Executive soldier and an adventurer by trade, is lured back to the Mediterranean by a secret from his past: six years ago, a dying archaeologist entrusted him with his life's work—a leather notebook full of unintelligible notes written in Ancient Greek. When the KGB show up looking for the notebook, Grant sets out to protect the discoveries that the archaeologist lost his life for—and to find out what could be so valuable that the CIA and the British Secret Intelligence Service want it as well.

With help from a brilliant Oxford professor and a beautiful Greek archaeologist with her own secrets to hide, Grant follows the notebook to a hidden cave on Crete, where a tablet of mysterious writing has lain hidden for thousands of years. Deciphered, it could lead to one of the greatest prizes in history. But the treasure is as dangerous as it is valuable. Seeking the places where history and myth collide, following the trail left by Homer in his epic poems of heroic warriors, vengeful gods, and treasure beyond anything known to man, Grant is plunged into a labyrinth of ancient cults, forgotten mysteries, and lost civilizations. But time is running out. The secrets of the distant past may hold the key to the newest threats of the modern world. . . . "Fans of thrillers with an Indiana Jones angle who just

In the first episode, The Enchanted Vanishing Sword, Toby was befriended by an old wizzard who

showed him how to pass through a secret portal connecting his world with a world in the fourth dimension called Duppland. Toby, even though just a teenager, impressed the people of Duppland with his courage and wisdom concerning supernatural forces that the people of this land feared. Toby developed many special friends in this land and would go visit them from time to time, being careful not to let anyone see him pass through the secret portal. In this episode, Toby is summoned by the Governess of Duppland, Lady Zelda, to rescue his best friend Rain. She is being held captive in a secret temple and is to be sacrificed in three days to a heinous living stone monster created by the evil warlock, Dr Zodd. It is believed that once you enter the temple the only way out is through a very dark

maze where the stone monster lurks. If somehow you get past the monster and find the way out of the dark maze you must get past a wicked giant who has been chosen by Dr Zodd to guard the exit and is not to let anyone leave the maze alive. No one in Duppland knows where the temple is or how to find it. It is believed that an old hermit living somewhere in the badlands of Axmar, knows a way to find the temple, but first you need to find him. Armed with only a bag of dirt and a staff Toby sets out on his quest to save his friend. The way is long and dangerous. Toby has many bone chilling encounters with vicious mongols, man eating plants and huge flying reptiles. Once inside the temple he must find Rain, destroy the stone monster, find the way out of the dark maze and defeat the giant guard

posted there. Next they must pass through a series of burning lava pits and deadly lava snakes, then make their way back to Duppland, crossing the giant wastelands of mercer where they encounter a hedious looking dragon that Toby must slay to save Rain from being eaten. Finally they get a ride back to Duppland on a unicorn where they receive a heros welcome.
