A sad but moving
novel; Me Since
You is a
difficult, yet
eye opening
journey into the
deep, dark abyss
of grief. It
doesn't start
out as an
emotional train
wreck, though,
which is
something I

appreciated. We get introduced to Rowan as a normal teenager. We see her living a normal life, with the angst and risk that come with teenage antics.

ME SINCE YOU is an almost flawless account of grieving what once was, and learning to live with a new, unwanted normal. Laura Wiess's prose nearly dances off the page (or kindle screen) into the

Some sentences are so deeply profound, I had to stop reading just to absorb them. The pace is fast, but not too fast paced.
