It may take a person not used to a laptop a couple of meetings to get used to the idea of taking minutes directly onto the laptop but it is worth persevering. There are other hidden advantages also. People who take minutes on a laptop are generally more highly regarded by the other people in a meeting than those who hand write minutes – it sounds crazy I know, but it's true.

Taking Minutes. Quick and easy guide to taking minutes. Minutes are simply notes taken during the meeting to remind you what was discussed and agreed. They don't need to be long or complicated, in fancy language or perfect grammar. They do need to record clearly and simply what decisions were made at the meeting and who is going to carry them out. Some sample minutes can be found at the end of this sheet.
