~~Merchant Of Death Money Guns~~

Bout's vast enterprise of guns, planes, and money has fueled internecine slaughter in Africa and aided both militant Islamic fanatics in Afghanistan and the American military in Iraq. This book combines spy thrills with crucial insights on the shortcomings of a U.S. foreign policy that fails to confront the lucrative and lethal arms trade that erodes global security.

~~Merchant of Death: Money, Guns, Planes, and the Man Who ...~~

Merchant of Death was amazing for how seemingly easy it is for a smart arms merchant with skill and experience to succeed because of the lack of national and international coordination and will to bring the thug to justice. Countless deaths, including American lives and those of children, were facilitated by this unindicted criminal.

Viktor Anatolyevich Bout is a Russian arms dealer. Bout, an entrepreneur and former Soviet military translator, reportedly used his multiple air transport companies to smuggle weapons since the collapse of communism from Eastern Europe to Africa and the Middle East during the 1990s and early 2000s. Bout was nicknamed the Merchant of Death and Sanctions Buster for his reported wide-reaching operations, extensive clientele,
