He escapes the prison walls only to realize he's mystically bound to his tormentor. Believing he doesn't deserve a Fated Mate, he keeps his distance from females. Renowned for being a level-headed warrior, his control is pushed to the limit when he meets the Vampire Queen's sister. Not only is his patience tested by Cailyn, but his

skills as a sorcerer are challenged when he fights to save her mortal soul. Cailyn is instantly spellbound by the damaged soul she views in the sparkling depths of Jace's amethyst eyes. The attraction is so strong that it forces Cailyn to question the direction of the life she has planned with another. Her mundane human life is shaken up by a violent car crash, a Fae spell, expeditions into the bayou, and battles with demons. Amidst the chaos, the developing bond between her and Jace strengthens, leaving their desire for one another undeniable. Of one thing Cailyn is certain, she must help Jace explore the depth of his scars to overcome the wounds of his tortured past and find a future...but will it be with her?

Along the edges of darkness, a war of attrition rages between the demon plane and the Tehrex Realm. Dark Warriors alone stand between humans and the evil that seeks to destroy them. Zander Tarakesh, the sexy as sin vampire king, leads the battle. Zander is battle-hardened and accustomed to command, yet wrestles to regain control when his Fated Mate is propelled into his world, bombarding him with unfamiliar emotions. His life depends on him uniting with Elsie, the slip of a mortal, who unknowingly protects a vital piece of his soul. Eradicating the demons will be an easier task than combating her sense of guilt and betrayal to gain her acceptance, loyalty, and ultimately her love. And, he must do this before she plunges a stake in his heart. One thing is certain; the flames of passion ignite a fire in their shared souls...Elsie Hayes' life is shattered after the vicious murder of her husband. Intent on revenge, she spends her evenings killing creatures others only see in nightmares. A supernatural event teleports Elsie into a world filled with violence, magic and unexpected lust and love when she is thrust from widow to Fated Mate of the enigmatic vampire king. Can she lower the protective shield around her heart, giving herself to a vampire whose power is the very reason her life was changed forever?

Ramiel , a newly-appointed Angel of Retribution, is out for his pound of flesh...demon flesh. When his charge Isobel is kidnapped and taken to the Underworld he is determined to get her back, no matter the cost. Even ally with a Fallen Angel, the antithesis of everything he fights for. Their mission places them in the Inner Circles of Hell and pulls Rami to the razor's edge of passion with Zakara. If the challenges of the Underworld don't destroy him, succumbing to her seductive touch could be his fatal mistake.

Bhric Tarakesh is drowning at the bottom of a scotch-filled barrel. One bad decision after another has led him to alcoholism, bar fights, alienation of his family, and, the cherry topper of his shit sundae, impregnating a female he abhors. As he spirals out of control, a cataclysmic event thrusts him into a human hospital and into the hands of a sexy doctor that sets his icy soul on fire, guaranteeing his world will never be the same. Alex Layne, a prominent physician at Harborview Hospital is thrown into a world she thought was myth when a dying man is brought into her ER. While treating him, she panics when she sees his fangs and makes an uncharacteristic decision to sneak him out of the hospital, and harms way. And, that's only the beginning. As she helps him heal and recover, she discovers a new world of vampires, shifters, and demons, but that doesn't compare to the lust and passion that leaves her craving the vampire's bite.

"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology." DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA! The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but

generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). King, Warrior, Magician, Lover is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

One of the benefits of social media is getting to meet the parents of special needs children and adults. I have grown to know and truly admire these brave people. Our solitary journeys have taken many different roads, yet we've all connected on sites like Facebook, Twitter, and other forums. The support we give each other is a lifeline—an opportunity to not only share the joys our sons and daughters bring into our lives, but also the chance to rant about the frequent injustices we meet head on. I am honoured to have 'met' so many fantastic Warrior Mums from around the world, so honoured that I decided to feature some of their stories in a blog series, which I have now reproduced in this book. These mums will inspire you, just like they have me, these brave women who share their stories from childhood to motherhood and reveal far more than they normally would, in the hope their stories will help others.

Detective Orlando Trovatelli is a glutton for punishment when it comes to matters of the heart and not even his shifter instincts can keep him on course. It's bad enough that he has feelings for the Vampire Queen, who is mated to one of the most powerful males of the Tehrex Realm, but then he falls for Jaidis, a mated cambion. He clings to the pathetic excuse that Jaidis's mate is abusing her and the Goddess will reconsider and give Jaidis to Orlando in the end. He

learns how wrong he is the night he arrives at Jaidis's house to find her lying in a pool of her own blood while struggling to save her unborn baby. Orlando is prepared to move heaven and earth to save Jaidis's life, but ultimately all he can guarantee Jaidis is that he will protect her unborn son. Struggling with his new responsibilities, Orlando isn't prepared to deal with the aftermath of the new archdemons. With his Omega on one side of the fence and Zander on the other, Orlando is forced to choose between his loyalty to the Dark Warriors and disclosing their existence to humans. After everything Orlando has been through, he questions the Goddess and whether his faith in her has been in vain.
