A compilation by one of Tibet's greatest Buddhist masters of the Path with Its Result teachings and practices of the Sakya lineage of Tibetan Buddhism. The Treasury of Precious Instructions by Jamgön Kongtrul Lodrö Taye, one of Tibet's greatest Buddhist masters, is a shining jewel of Tibetan literature, presenting essential teachings from the entire spectrum of practice lineages that existed in Tibet. Volumes in this series may be engaged as practice manuals while also preserving ancient teachings significant to the literature and history of world religions. Volume 5 of the series, Sakya: The Path with Its Result, presents a selection of teachings and practices from the Path with Its Result (Lamdre) practice lineage of the Sakya tradition of Tibetan Buddhism. The Sakya lineage derives from Virupa, Dombhi Heruka, and other Indian masters, or mahasiddhas, and passes through Gayadhara and his Tibetan disciple Drokmi Lotsawa Sakya Yeshe (992-1072). The practice tradition centers around the teaching and transmission of the Hevajra Tantra and its subsidiary texts. In three parts, this volume includes, respectively: the root text, commentary, and outlines for the Indian mahasiddha Virupa's core text, the Vajra Verses; the liturgies for empowerment and offering rituals specific to a Hevajra Tantra practice lineage; and instructional manuals for practice.

"From comedian, Esquire contributor, and former MTV VJ Dave Holmes, the hilarious memoir of a music geek and perpetual outsider fumbling his way toward self-acceptance, with the music of the '80s, '90s, and '00s as his soundtrack. Dave Holmes has spent his life on the periphery, nose pressed hopefully against the glass, wanting just one thing: to get inside. Growing up, he was the artsy kid in the sporty family. At his high school and Catholic college, he was the closeted gay kid surrounded by crush-worthy straight guys. And in his twenties, in the middle of a disastrous career in advertising, he accidentally became an MTV VJ overnight when he finished second, naturally, in the Wanna Be a VJ contest, opening the door to fame, fortune, and celebrity--you know, almost. But despite all the close calls, or possibly because of them, he just kept trying, and if (spoiler alert) he never quite succeeded, at least he got some good stories out of it. In Party of One, Dave tells the hilariously painful and painfully hilarious tales--in the vein of Rob Sheffield, Andy Cohen, Josh Kilmer-Purcell, Paul Feig, and Augusten Burroughs--of an outsider desperate to get in, of a misfit constantly changing shape, of a guy who finally learns to accept himself. Structured around a mix of hits and deep cuts from the '80s, '90s, and '00s--from Bruce Springsteen's 'Hungry Heart' to Wilson Phillips's 'Impulsive' to En Vogue's 'Free Your Mind' and beyond--and punctuated with interludes like 'So You've Had Your Heart Broken in the 1990s: A Playlist,' this book is for anyone who's ever felt like a square peg, especially those who found their place in the world, as we often do, around a band, an album, or a song. It's a laugh-out-loud funny, deeply nostalgic story about never fitting in, never giving up, and listening to good music along the way"--

Fianna Fáil was for most of the 20th century the democratic world's most successful political party. It dominated the politics of Ireland from 1932, when it first took power, until 2011 when it became a prominent electoral victim of the Great Recession. This book provides original research that explains how Fianna Fáil became dominant and managed its coalitions of support to maintain that position for eight decades. It gathers prominent political scientists who focus on a variety of factors including its ideological flexibility, control of state resources and the venue for decision making, the party's leadership, its organisation and communications strategies. In addition the book takes a comparative approach to understanding the position of dominant parties in democratic countries, and uses empirical data to understand the sources of its support and decline. It is a book that will be of interest not only to scholars of Ireland, but also to those who wish to understand the sources of power of dominant political parties and the impact of the Great Recession on democratic politics. This book was originally published as a special issue of Irish Political Studies.

This book is an historical survey of women's sport from 1850-1960. It looks at some of the more recent methodological approaches to writing sports history and raises questions about how the history of women's sport has so far been shaped by academic writers. Questions explored in this text include: What are the fresh perspectives and newly available sources for the historian of women's sport? How do these take forward established debates on women's place in sporting culture and what novel approaches do they suggest? How can our appreciation of fashion, travel, food and medical history be advanced by looking at women's involvement in sport? How can we use some of the current ideas and methodologies in the recent literature on the history and sociology of sport in order to look afresh at women's participation? Jean Williams's original research on these topics and more will be a useful resource for scholars in the fields of sports, women's studies, history and sociology.

Who is she really, and how will her life affect the fate of those she cares about, the citizens of the Provinces, and the future?
