definition, objectives and ...

Objectives of Production/Operations Management: (i) Maximum customer satisfaction through quality, reliability, cost and delivery time. (ii) Minimum scrap/rework resulting in better product quality.

Definition, Objectives, Scope and Functions of Production ...

I just passed the C215 Operations Management course and since there is very little detailed, step by step advice in this sub regarding this course, I'm going to lay out exactly what I did to pass. It has been well said by others that this course needs an overhaul, it does. The path to completion is hazy, winding and confusing.
