An Introductory Exploration of the History of the World The World's History encourages readers to explore the history of the world and the significance of this unique study. The past is not simply a list of events, rather the records of historic interpretations of those events. Because interpretations differ from historian to historian, the study of history becomes a pool of various narrations told from different perspectives. The World's History celebrates these differentiating values offering readers a rich, comprehensive, and challenging introduction the the study of world history and the methods and key interpretations of its historians. The World's History: Volume 1 covers Parts One through Five(chapters 1-13). The parts move
