The other women's movement--backlash to liberation.

I've hated him since middle school. The effortlessly popular, lacrosse superstar, beautiful, blue-eyed nightmare Emerson Sawyer. Funny thing is, he didn't even know I existed until our senior year, when his mom started hooking up with my dad. Now he torments me in the hallways, calling me "Sis" whenever he gets the chance, relishing in the fact that I can't hide my blushing whenever he's around. Even though I can't stand him, my body betrays me and he loves it. Emerson and his mom just moved in with us, and as if crushing on him wasn't weird enough, now our bedrooms share a wall. The sexual tension keeps building between us, but I know nothing can ever happen...especially now that our parents are engaged. I try to tell myself that I hate him, that he's wrong for me, that we'll never be together...So why did I agree to play Seven Minutes in Heaven at his girlfriend's high school party? And why does Emerson suddenly have my panties in his hands? Stepbrother Billionaire is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content.

When Kacey moves in with her estranged father and his new family, her new friend goes missing and Kacey finds herself at the center of the investigation.

Kady and Brett Were in Love - Unfortunately, So Were Their Parents! Kady watched as her mother married the father of her soul mate, all the while wishing it were she and the muscled and athletic man standing with her at the altar taking their own vows. She knew that Brett secretly felt the same for her - she was sure of it! On the rare times they had seen each other before this fateful day, Kady couldn't help her taboo lust for Brett's hard, lean body. She ached to drown in his beautiful blue eyes, and feel his passion as he possessed her voluptuous curves. But now, he was going to be forever unavailable to her! Her need fought against her strong will...and her emotions were winning over against sound judgment! She looked over at Brett, who stood staring at her, and the tears began streaming down her face! She suddenly bolted from the altar, and ran out of the church! Their dreams of happiness were being crushed forever! OR WERE THEY? When Brett's sudden business success propels him to the upper echelons of the rich and famous, things take a decidedly unusual turn. When she and Brett are thrust into a web of lies and deceit, Kady finds her heart won't let her abandon her forbidden desires. Will their love be dashed upon the rocks of unforgiving tradition? Can she and her man emerge victorious? Follow the passionate, romantic and VERY HOT adventures of these two different couples, as their worlds are suddenly turned upside down, and as they struggle to come to terms with what is right, wrong, forbidden or even possible!

Calling Nate Thornhill a rich, cocky, arrogant asshole would be an understatement. He also happens to be stunningly handsome, popular, intelligent, and captain of both the Crew and Lacrosse teams at UVA. I hate him for thinking he's untouchable-not because he's a narcissistic, privileged, borderline-misogynistic heartbreaker-but because he's right. His first words to me were at a Crew House party, and he invited me to have a threesome with him and a random girl. I could've died from the embarrassment, he didn't even know my name at the time, and he didn't care to. After that night, I promised myself to never waste another second thinking about Nate Thornhill. My world becomes a nightmare when I realize my mom's new husband Pierce has a son who's my age...and he's a junior at UVA too. I can't believe my eyes when Nate walks over and sits down next to us at dinner, introducing himself like he's never seen me before in his life. Then I feel his hand on my thigh, underneath the tablecloth with our parents sitting across from us, inching closer and closer to my panties. My mind goes fuzzy, my heart starts racing, and my body does exactly what I don't want it to do. And then they hit me with the worst news of all...Pierce has an internship lined up for me at his firm, and we're going to live at his Eastern Shore mansion for the summer. I'll be sleeping down the hall from my new stepbrother...arguing with him at every breakfast, sitting across from him at every dinner, watching as he brings an endless string of girls back to his room...secretly wishing I was one of them. Stepbrother Untouchable is a Stand-alone novel. It contains adult themes, harsh language, and graphic sexual content.

Have you ever gone just a little too far? Lexie Banks has. Yep. She just had mind-blowing sex with her stepbrother. In her defense, she was on the rebound, and it's more of a my-dad-happened-to-marry-a-woman-with-a-super-hot-son situation. But still, he's been her best friend and confidant for the better part of the last few years . . . and is so off limits. It's a good thing she's leaving in two days for a year abroad in Rome. But even thousands of miles away, Lexie can't seem to escape trouble. Raised Catholic, she goes to confession in hopes of alleviating some of her guilt . . . and maybe not burning in hell. Instead, she stumbles out of the confessional and right into Alessandro Moretti, a young and very easy-on-the-eyes deacon . . . only eight months away from becoming a priest. Lexie and Alessandro grow closer, and when Alessandro's signals start changing despite his vow of celibacy, she doesn't know what to think. She's torn between falling in love with the man she shouldn't want and the man she can't have. And she isn't sure how she can live with herself either way.

When you're in love with your best friend, life is complicated. When he's also your stepbrother, it's a nightmare. Jane's apparently a magnet for chaos. Because now she's agreed to tutor her stepbrother's enemy, and that sexy bad boy might have a thing for her. She might also love that a tingle surrounds her soul whenever he's close. Throw his two brothers into the mix, dangerous rivals looking to destroy every one of them, and parents controlling her love life. It's safe to say she's wandered into the apocalypse. At least being torn between four hot guys isn't the end of the world. Just kidding. It totally is. But they'll all realize something. Jane's the ruler of her life. No one else. Long live the queen . . . and her kings.

Six months ago, their marriage ended... He has twelve hours to claim her back! Odir Farouk is about to become king—but to take his throne, he needs his errant wife by his side! Odir denied his hunger for Eloise, refusing to compromise power for passion. His rejection drove her away. Now Odir has until news of his succession breaks to win back his queen...and pleasure will be his most powerful weapon!

Why is my perfect match the only guy I hate on campus? When I join the college dating app, I'm expecting to be matched with someone who's my type. Instead, I get the college prankster, Elijah. He might be good looking, he might even be chivalrous, but that doesn't mean I'm interested. I think it's a mistake, or maybe one of his pranks. I keep my distance for a while, but I'm only human. Mistake is my middle name, especially when it comes to relationships. And I find myself left with two dramas. Elijah is going to be my stepbrother and is now totally forbidden. Oh, and the other thing is I'm carrying his baby. This is a standalone novel with a HEA and NO cheating!

How does that make you feel, doll? JACOB Don't fall for the patient. Don't fall for the pretty, broken, sweet little doll sitting across from you in the office. Don't fall for her lies. Don't fall for her looks. Most of all, don't fall for her deliciously broken mind. But life keeps throwing Alice at me, and her naturally submissive nature makes her such easy prey... And after all, the broken ones are the most fun to train. ALICE Jacob Hawke can only ever be a crush. He's been my therapist for years. Now, my mother wants me to live with him while she chases her dream job in another state. Mr. Hawke has been trying to put me back together for a long time now. Maybe he was supposed to break me all along. Full-length novel. Standalone, no cliffhanger. HEA guaranteed.
