Sales development is an organization that sits between the marketing and sales functions of a business and is in charge of the front-end of the sales cycle: identifying, connecting with, and qualifying leads. Simply put, this organization is tasked with setting up qualified meetings between a salesperson and a potential buyer with a high probability of purchasing a product.

Sales development—Wikipedia
Sales development is the field, process, or team that focuses on the early stages of the sales cycle. This includes customer research, prospecting , initial engagement, lead qualification. Sales development teams identify the best prospects to connect with and assess which of these can be considered promising enough to vet into the official pipeline as Sales-Qualified Leads (SQLs).

The Complete Guide to Sales Development | Sales Hacker
Sales development is the process by which potential leads are identified and qualified for further sales outreach, bridging the gap between marketing and sales to reduce the time and resources spent on low-quality leads.

The ultimate guide to sales development—The Close Sales Blog
Sales development is a phone-based team that identifies, connects with, and qualifies leads. When a lead is qualified, they then pass the qualified lead to a sales person who takes over for the rest of the sales process.

The Sales Development Team: A Proven Framework for Success
Sales development demands continued attention lest best practice slips into disuse or becomes old hat and ineffective. Whatever we do now, development must involve changes to the way we think and react to your environment. It takes effort to effect personal change. Examining the potential benefits helps stoke up motivation.

Sales Development - Sales Performance - Personal Development
A sales development representative that focuses on outreach, prospecting, and lead qualification. SDRs don't focus on closing business, but connecting with as many leads as possible and determining if they're good customer fits. SDRs move leads through the sales pipeline.

Sales Development Representative (SDR): What's the Job Like?
Sales development representatives are tasked with meeting the demands of a new kind of buyer that primarily lives online, buys faster and spends more on cloud services than ever before. The best way to connect with these new buyers is to have a deep understanding of their challenges. And to understand their business, you may need to speak to them.
