'In A Split Second, It Was All Over. I Had Been Shot ...

A book about reactions, relationships, life, and how they can all change literally in one split second. The way the truth is revealed gradually made me want to keep on reading "just one more chapter" each time I picked up the book. Descriptively and compassionately written, I found it easy to read, whilst being thought provoking.

Split Second picks up just days after where Pivot Point left off, and for that reason alone, I'd recommend re-reading just the last few chapters of Pivot Point to ease into this book.

One Split Second is the kind of novel that pulls you in and offers an opportunity to view a tragedy from multiple perspectives. It's not an easy novel to read, and as a parent of three teenagers, two of which are in the age range of the characters within this book, it was at times quite harrowing.
