In The Circle, Dave Eggers satirizes the cultures and values that have emerged in the age of the Internet. In particular, he criticizes the culture of social networking, in which the vast majority of personal interactions don't occur face-to-face, and often occur between people who have never met in person. Written at a time when more and more people communicate predominately through social networking sites, The Circle shows some of the frightening moral and.

Before we get to the books, let's start with the obvious question: what was the Vienna Circle? The Vienna Circle was a group of philosophers, all of whom had mathematical and scientific training, who began to meet in 1924; their discussion group continued for a dozen or so years.

A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a "compulsively readable parable for the 21st century" (*Vanity Fair*). When Mae Holland is hired to work for the Circle, the world's most powerful internet company, she feels she's been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users' personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company's modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can't believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman's ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy,

democracy, and the limits of human knowledge.

Minoo wakes up outside her house, still in her pajamas, and is drawn by an invisible force to an abandoned theme park on the outskirts of town. Soon five of her classmates—Vanessa, Linnéa, Anna-Karin, Rebecka, and Ida—arrive, compelled by the same force. A mystical being takes over Ida's body and tells them they are fated to fight an ancient evil that is hunting them. As the weeks pass, each girl discovers she has a unique magical ability. They begin exploring their powers. The six are wildly different and definitely not friends . . . but they are the Chosen Ones. In this gripping first installment of The Engelsfors Trilogy, a parallel world emerges in which teenage dreams, insanely annoying parents, bullying, revenge, and love collide with dangerous forces and ancient magic. An international sensation with rights sold in 26 countries, The Circle is razor-sharp and remarkable from start to finish. For more information visit: <http://www.worldofengelsfors.com>

BOOK DESCRIPTION: The CIRCLE is a fast-moving, action-packed story about a real, notorious gang of teenagers. They cared little about who they stomped, what vandalism they did, or whose car they swiped in their attempts to get back at the "codger" and "bags" of the community. The inside details of the many jobs they pulled, how the kids behave toward each other, and what they really think of adults is plainly revealed. Although the story is about teenagers and written for teenagers it is a gutsy book and not for the squeamish or chicken-hearted. The story will "turn off" most adults but it is MUST reading for those parents who refuse to understand their teenagers as a lesson in what can happen if their kids finally "tune them out". AUTHOR BIO: James A. Coleman is a retired college physics professor. However, he has spent a good deal of time as an unpaid street worker helping troubled youths, especially those who organized into street gangs. The CIRCLE is a fictionalised story of one of these gangs. Coleman is also a well-established author of science books for the layman.

The "New York Times" bestselling author of "Practical Intuition" shows readers how one carefully crafted wish can serve as a match to ignite potent and lasting transformation in their lives.

Calum Ranson is sure of three things: his cousin Finley is alive, Calum will find him, and no one knows Calum and his family are Sidhe. No one until Laurel shows up at his mother's bookstore wearing a dark clan's mark. When Calum learns the details surrounding the disappearance of Laurel's brother, he suspects the evil Hobayeth clan. Calum and Laurel work together in the Realm of Man and the Otherworld to rescue her brother—revealing a connection between Calum and Laurel that may cost Finley his life.

Multi-award-winning, New York Times best-selling duo Mac Barnett and Jon Klassen deliver the final wry and resonant tale about Triangle, Square, and Circle. This book is about Circle. This book is also about Circle's friends, Triangle and Square. Also it is about a rule that Circle makes, and how she has to rescue Triangle when he breaks that rule. With their usual pitch-perfect pacing and subtle, sharp wit, Mac Barnett and Jon Klassen come full circle in the third and final chapter of their clever shapes trilogy.

IMAGINE YOU HAD ALL THE MONEY YOU EVER WANTED at the push of a button. The power to control law enforcement, politicians at the highest levels, the judicial system as a whole. To have what you want when you want it, whatever it is. All you have to do is kill someone . . . before someone kills you. MEMBERS of THE CIRCLE don't have to imagine such a life. They live it. The liberation of being both hunter and hunted. The salvation that comes with such freedom. A chance to feel truly alive. A chance to savor each precious moment. Because in THE CIRCLE any moment could be your last. DOUGLAS GOODWIN isn't rich. He isn't powerful. What could the sacred society of THE CIRCLE possibly want with him—just a regular guy with a regular job leading a regular life? What would drive them to coerce a young man who has always valued integrity over hedonism into their midst? And why would Doug agree to submersion in a world of secrecy and murder? It's unthinkable. THE HARSH REALITY? Doug has been inducted into an institution where friends become enemies overnight, loyalty is a nothing more than a punchline, and conscience is a burden. Where he will be hunted and expected to hunt other members to their death. With no escape from THE CIRCLE's ubiquitous influence and domination. HOW FAR WILL DOUG GO? How much will he sacrifice to preserve his way of life? Will he be swayed by

the money, the women, the power? Or will THE CIRCLE consume him, as it has hundreds of others before him, and leave nothing but another nameless corpse in its wake?
