In The Disobedience of the Daughter of the Sun, he revives a hitherto unknown Guatemalan Tzutujil Mayan tale of the beginnings of the world with a poetic retelling of the story, 28 evocative drawings, and a critical analysis that both enlightens and entertains.

Author and illustrator Martín Prechtel is internationally known for his explorations of ancient folklore and uncovering the lessons therein for modern readers. In The Disobedience of the Daughter of the Sun, he revives a hitherto unknown Guatemalan Tzutujil Mayan tale of the beginnings of the world with a poetic retelling of the story, 28 evocative drawings, and a critical analysis that both enlightens and entertains. Having lived with the Mayans and learned their language, Prechtel authoritatively retells the powerful tale of the Tall Girl who weaves the world in a loom, her parents the Sun and the Moon who repudiate her suitors, and the mysterious man who disguises himself as a hummingbird to lure her away.

Prechtel expands this archetypal story with five layers of commentary, each teasing out a different wisdom and revealing its relevance to the world today.

Learning that her orthodox Jewish rabbi father has passed away, Manhattan single woman Ronit Krushka returns to the home she fled years earlier and reconnects with a beloved cousin and a forbidden childhood sweetheart, only to become a threat to her former community. A first novel. Reprint. 25,000 first printing.

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Longing for sophistication in spite of her limited prospects as a servant, Sri Lankan-born Latha strives for the dignity and freedoms enjoyed by the privileged daughter of her employers, while Basis, a devoted mother, flees her abusive husband in search of a better life in the mountains. A first novel.

Brimming “with the ebullient Bhagwati’s fierce humanism, seething humor, and change-maker righteousness,” (Shelf Awareness) a raw, unflinching memoir by a former US Marine Captain chronicling her journey from dutiful daughter of immigrants to radical activist fighting for historic policy reform. After a lifetime of buckling to the demands of her strict Indian parents, Anuradha Bhagwati abandons grad school in the Ivy League to join the Marines—the fiercest, most violent, most masculine branch of the military—determined to prove herself there in ways she couldn’t before. Yet once training begins, Anuradha’s GI Jane fantasy is punctured. As a bisexual woman of color in the military, she faces underestimation at every stage, confronting misogyny, racism, sexual violence, and astonishing injustice perpetrated by those in power. Pushing herself beyond her limits, she also wrestles with what drove her to pursue such punishment in the first place. Once her service concludes in 2004, Anuradha courageously vows to take to task the very leaders and traditions that cast such a dark cloud over her time in the Marines. Her efforts result in historic change, including the lifting of the ban on women from pursuing combat roles in the military. “Bhagwati’s fight is both incensing and inspiring” (Booklist) in this tale of heroic resilience and grapples with the timely question of what, exactly, America stands for, showing how one woman learned to believe in herself in spite of everything.

Verdi's operas - composed between 1839 and 1893 - portray a striking diversity of female protagonists: warrior women and peacemakers, virgins and courtesans, princesses and slaves, witches and gypsies, mothers and daughters, erring and idealised wives, and, last of all, a feisty quartet of Tudor townswomen in Verdi's final opera, Falstaff. Yet what meanings did the impassioned crises and dilemmas of these characters hold for the nineteenth-century female spectator, especially during such a turbulent span in the history of the Italian peninsula? How was opera shaped by society - and was society similarly influenced by opera? Contextualising Verdi's female roles within aspects of women's social, cultural and political history, Susan Rutherford explores the interface between the reality of the spectators' lives and the imaginary of the fictional world before them on the operatic stage.
