The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

Noted astrologer and spiritual teacher Barbara Hand Clow channels the voice of Satya, a Pleiadian goddess. Satya describes the huge cosmic drama taking place simultaneously in nine dimensions, with Earth as the chosen theater. The Pleiadians are a group of enlightened beings who believe that the end of the Mayan Calendar will signal a critical leap in human evolution; the Pleiadians will be there to guide us for that leap. This shift is the coming Age of Light, and the entry of our solar system into the Photon Band and the Age of Aquarius.

Now that the end of time has shown itself as a prime number, nine may reveal the mysteries of love, nemesis, creative minimalism and the gleam of opalescent truth in every aspect of being. Join the Pleiadian Renegades in Opalescence for a romp through understanding as you have never known it to be, the one true dimensional shift that heads straight for the heart of all. Treasures await. Greet the light of a new day. It's time to awaken to a new world. The book

Opalescence: The Pleiadian Renegade Guide to Divinity triggers awakening to timeless truths about our place in the cosmic assembly of life. Enter the dawning era of sentient awareness of a greatly expanded landscape of human interaction, technology, scientific understanding, and knowledge of essential human history with the League of Light as guides. Maryann Rada's writings for the League of Light speak to our transformation toward a galactic humanity. Words encoded unravel forgotten mysteries, bringing light into the depths of individual and collective healing. Among her books, Remembrance: Pleiadian Messages in Preparation for Contact forms the foundation of an exciting new feature film project. The Pleiadian Renegades are a collective of beings from a high-frequency, low-density reality that sources from the light of the sun of Alcyone. They are human beings of a higher level of awareness and come to our realm of awareness now as midwives for our collective transformation into the consciousness of divinity. They do this with great love, humor, and depth of understanding.

This is the fifth and final book written by Amarah Quan Yin. She had completed the initial version of this text just before her death in June of 2013. This is a book that is for everyone who has ever been inspired by Amarah's writings. And it is a book for everyone who appreciates a deep spiritual message ringing with clarity and strength. This book is for all of us searching how to live our everyday lives in alignment with divine love and truth. The early chapters here establish a foundation of spiritual practices that can be used by everyone to improve their lives. The later chapters speak to the core of what holds us back from becoming

our true selves and finding our path to Oneness. When it comes to helping us transform our lives, there is no voice that speaks with more clarity and impact than Amorah's. Drop all new age stereotypes; this is a prophet with the sword of truth.

A guide to aligning your life with the frequencies of the Nine Waves of Creation • Explains the quantum physics behind the Waves of the Mayan Calendar system and how their holograms shape the human mind • Shows how throughout history each revolution in human consciousness has been driven by the activation of one of the Nine Waves of Creation • Reveals how we can consciously work to deactivate the negative patterns of the Sixth Wave and manifest the unity consciousness of the Ninth Wave In the past few years the world has witnessed changes in social consciousness whose sudden development the ruling scientific paradigm has not been able to explain. These changes correspond with the activation of new Waves of Creation emanating from the center of the universe that influence human thinking. From the Big Bang to the present, these Waves guide the evolution of the universe and, through their holographic resonance with the human mind, profoundly shape revolutions in religion, technology, economy, and social consciousness. Presenting a quantum-holographic perspective on world history and human consciousness, Carl Calleman explains the quantum physics behind the Waves of the Mayan Calendar system and how these Waves allow us to understand the shifting eras on Earth as well as the possibilities of the future. He describes how, prior to the activation of the 6th Wave in 3115 BCE, our social systems were based on a unified cosmic order, but the hologram of this Wave shifted society to an all-consuming focus on Good and Evil, leading to the rise of patriarchal religious structures, slavery, and warfare.

He explores how later Waves and their new holograms helped humanity survive the negative effects of the 6th Wave, such as the Industrial Revolution of the 7th Wave and the Digital Revolution of the 8th Wave. In 2011, the 9th Wave was activated, bringing with it an accelerated push for a more egalitarian world, a rising awareness of unity consciousness, and access to the full power of all Nine Waves of Creation. Calleman explains how our individual resonance with each Wave plays a role in the quality of our lives and how we must consciously work to resonate with the higher Waves. Revealing how we can become quantum activists in a holographic world by aligning with the 9th Wave, the author shows how we each can help manifest the destiny of humanity hinted at in ancient texts.

The Pleiadians call this time the New Dawning, a time for us to renounce our fear-based, three-dimensional illusions and consciously align with the new fourth- and fifth-dimensional energies that are anchoring on our planet. Are you ready? How can we live by Pleiadian principles and use them to assist us in our enlightenment process? This second major title channeled by Christine Day is a spiritual but practical roadmap that will show you how to navigate through these challenging, changing times, to understand the roles presaged by our conscious choice. With the clarity offered by Pleiadian Principles for Living, you will learn: To understand the current changes facing Earth and what is to come To activate pre-agreements made to support us in our mission How to use tools and sacred sounds that provide opportunities to work with the energetic matrix of crop circles, providing knowledge and activations How to use step-by-step tools for harnessing the energy of the Earth's natural forces through telepathic communion and communication with the Spiritual realms and all energetic alliances within the

Universe Pleiadian Principles for Living offers unique access to a wide variety of online audio files, featuring unlimited journeys of light initiations to support all readers in their individual awakening and evolution to their Spiritual home.

With compassion and compelling insight, the Pleiadians, those system-busting time-travelers from the future, take us on a journey through the uncharted lands of The Book of Earth, which comprises all human experience. While “our world goes belly-up in these most absurd of times,” they offer us “tools for survival.” During the crucial period between 1987 and 2012--a nanosecond in the annals of existence where secrets and solutions are stored--we have the unique opportunity to move from the deepest of density to the highest of frequencies--where we shift from linear to multi-dimensional living. To make this transition, we must face not only the limitations of our 3-D world with its electronic manipulation and mind control, we must embrace our own wounds, and those of our ancestors and our leaders. To heal ourselves, to raise our frequency from one of despair and fear to one of great inspiration and love, the Pleiadians urge us to rethink and reevaluate our lives: “You shall change, you will change, you must change, because this is the season of change.”

Embraced worldwide as key spiritual teachers of our times, the Pleiadians are back, with another bold and controversial look at our highest purpose on Earth. Earth: Pleiadian Keys to the Living Library is their handbook to inspired living, calling on us to restore and return value to the human being, and to recognize the Goddess energies and the power of blood as connections to our DNA and our heritage. Using wit, wisdom, and deep compassion, they

entice us to explore the corridors of time through the concept of the Game Masters; to awaken the crucial codes for multidimensional perspective; and to redream the Living Library of Earth. Their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage. Earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times.
