In the past decade or so, there has been a remarkable increase in the amount of destination wedding photography work available. Clients getting married abroad are able to search online for their dream destination and find service providers that really resonate with them—whether these are photographers, florists, or DJs. There are still vendors who are not willing to travel, however more and more realize what a golden opportunity this is and are making “destination weddings” a specialty. Brett Florens has traveled the world shooting weddings for high-end clients. In this book, he shows you how to meet the challenges of every phase of the wedding day when shooting in exotic locations, customs, and circumstances you may be encountering for the very first time. From from the first consultation to the final album design, Florens walks you through one complete wedding—shot in exotic Dubai. Each step of the way, he reveals how to work smarter and get the shots you want!

Do animals celebrate Valentine's Day? Nobody knows for sure. But this funny (and punny) little book imagines how some of them declare their love, affection, or friendship any day of the year."Nice to Meetcha! You smell delish!/Wanna share my water dish?" So asks one tail-thumping dog to another. Whereas a courting dolphin sings, "Come, leap with me and be my wife./You're the porpoise of my life." Ranging from dogs and cats and other pets to some you wouldn't want to pet, such as sharks and porcupines, acclaimed poet Marilyn Singer's captivating couplets and Lee Wildish's expressively humorous illustrations provide a Valentine's Day gift for kids who wouldn't be caught dead being lovey-dovey.

A lone robot investigates an abandoned planet. What happened to the inhabitants? Who were they?

"Three enigmatic characters are playing a game of faith when Brian D'Souza, a victim of unrequited love, bumps into them. What follows is a monstrous trial of his heart and soul. He slowly awakens to the bold and bizarre art of 'No trumping.' And gains a faith, which is more spiritual than moral."--Back cover.

Building Contract Dictionary provides a succinct, but authoritative reference to words, phrases and terms encountered in, and in connection with, building contracts. For the new edition all entries have been reconsidered and updated in light of case law and legislation and the book has been substantially enlarged since the last edition ten years ago. There are now over 800 separate entries A wide range of contracts has been referenced, including JCT 98, IFC 98, MW 98, WCD 98, PCC 98, MC 98, ACA 3, GC/Works/1 (1998), NEC, NSC/C, DOM/1, DOM/2 as well as topics such as adjudication, arbitration and the Civil Procedure Rules. It will provide an invaluable reference for architects, quantity surveyors, project managers and contractors. It will also find a ready readership among all construction lawyers. "This is an indispensable book which provides a succinct but authoritative reference to "words, phrases and terms" encountered in the construction industry. ...many of the entries give a substantial commentary on a variety of matters you always wanted to know about but never got round to finding out." Arbitration
